## **Our Office/Financial Policy**

Welcome to Miller Orthopedic Specialists. We look forward to providing you with the best Orthopedic care available. We hope the information provided in this financial policy will offer the answers to some of the questions you may have.

### **Services**

We offer complete Orthopedic and Podiatric, care. We also offer on-site Physical and Occupational Therapy, bracing, and MRI testing.

### **Insurance**

If you are currently insured, we will file your insurance claims for you. For the benefit of our patients, the physicians at Miller Orthopedic Specialists have enrolled in many of the insurance networks. However, if we are not enrolled in your particular plan, you will be required to assign benefits to us. If for any reason your insurance carrier does not remit the benefits to us in a reasonable amount of time, you will be responsible for the outstanding balance. In the event your health plan determines a service to be “non-covered,” or you did not receive the required authorization, you will be responsible for the entire charge.

**Note:** Outstanding balances must be paid in full prior to receiving treatment.

If you do not have insurance, a \$200.00 deposit is required prior to an office visit. If a balance remains, it is due, in full, within 30 days. If surgery or an MRI is required, 100% of the fee is due prior to performing the procedure.

If your plan requires a referral, you are responsible for obtaining them.

### **MVA's (Motor Vehicle Accidents)**

Your auto insurance usually has a “Med Pay” clause in the policy. This is money allotted for medical benefits from injuries you sustain during the accident. There is usually a \$5,000.00 limit on each policy. Miller Orthopedic Specialists will submit all claims to your Auto carrier first. If/When your Med-Pay reaches the maximum amount; we will begin to submit your insurance claims to your personal insurance. We do not bill attorneys, submit liens, or wait until settlement for the balance owed.

### **Payments and Co-payments**

Most health plans have deductibles and co-payments or co-insurance. These amounts are due at the time of service. If you are unable to remit this amount, our staff will be happy to assist in rescheduling your appointment for a more convenient time. Our contracts with insurance plans require us to collect the deductibles and co-payments specified by your policy, in full. For your convenience, we accept personal checks, money orders, Visa/MasterCard.

Delinquent accounts are subject to collection proceedings. If your account is sent to collection, all fee's including, but not limited to, collection fees, attorney fees, interest and court fees shall become your responsibility in addition to the balance due our office.

### **Special Payments**

Payments marked as “Paid in Full” or any similar terms on amounts owed must be sent directly to Miller Orthopedic Specialists, 1 Edmundson Place, Suite 500, Council Bluffs, Iowa 51503. We accept these payments without losing our right to receive the full amount owing on your account.
